

NOVA PIZZA

— VEGETARIAN KITCHEN —

If you have any intolerances or allergies please speak with a staff member.

Gluten Free

Our gluten free pizza dough is made fresh here at Nova daily with a combination of maize, potato and yellow pea flours. The dough is entirely free from gluten, wheat, egg, dairy and yeast. However, as the dough is prepared in the same kitchen where wheat flour is used, it is not recommended for coeliacs.

*MHEAT- Mheat is a type of smoked seitan made by Sgaia Foods.
We only use the best organic pizza flour on the market.*
